MAYOR'S MESSAGE

December 26, 2002

Aloha. I am pleased to extend sincere congratulations to the officers, faculty and students of Honolulu University on the occasion of its 15th anniversary.

Honolulu University fills a critical educational need for mature, non-traditional students seeking a career change or advancement in their current jobs. Many adult learners and mid-career professionals have benefited from the flexibility of Honolulu University's curriculum. The University's commitment to improving our economy by providing affordable, quality instruction to those who cannot attend traditional classes on campus is commendable.

On behalf of the citizens of the City and County of Honolulu, I extend best wishes on this special occasion.

JEREMY HARRIS, Mayor
City and County of Honolulu
